

I'm In Heaven

Hayli Lindgren

What will it be like
When I see the heaven open
What will it be like
When I see you descending from heaven
All the pain will drift away
As I look into your eyes
And all the shame will disappear
As I see the one who's never left my side.

I'm in heaven
I'm in heaven
I'm in heaven
By your side
I'm in heaven
I'm in heaven
I'm in heaven
By your side

What can I expect to find
When I see the hoards of angels
What can I expect to find
As I walk with you through the river
The river of life
All the pain will drift away
As I look into your eyes
And all the shame will disappear
As I see the one who's never left my side

I'm in heaven
I'm in heaven
I'm in heaven
By your side
I'm in heaven
I'm in heaven
I'm in heaven
By your side

And as you hold me
Surrounded by your love
Yours forever, it goes on and on

I'm in heaven
I'm in heaven
I'm in heaven
By your side
